- JS: Angular.js, jQuery

- Git: https://github.com/lafdesign

- Css: Sass with Compass

- Design: Illustrator, Photoshop, Sketch, SVG animations

Experience

Freelance Designer and Developer

WeVue

February 2015 – Present (3 months)

Working closely with the CEO, I built the site www.wevue.com to launch their new product, with a custom angular-app handling form-data and full analytics- tracking

Product Designer

Startup Institute

Summer 2014

Immersive 8-week program that helps individuals develop the mindset and skills necessary to successfully launch into startup careers.

Associate

The Metropolitan Museum of Art

January 2014 – June 2014 (6 months)

I worked with Membership facilitating special requests made by Museum members, sponsors, donors, patrons, Trustees, as well as curatorial and administrative staff and corporate partners.

Education

University of Vermont   2006 – 2010 **Bachelor of Arts (B.A.), Philosophy**

President- Class of 2010, Voting member of Alumni Council -2010

- *Community Activism Award*

Volunteer

Global Children

Global Children is a non-profit dedicated to providing educational opportunities to orphans in Cambodia: http://www.global-children.org/
